

# Call to Prayer - End Vaccine Mandate & Russia / Ukraine Conflict

## A. End the Vaccine Mandate (Ps 46; 1 Sam 30:1-8)

The Lord challenged me on the 9<sup>th</sup> of March 2022: 'Why don't you do your part?' He was calling me to pray for the ending of the vaccine mandate, so I committed to prayer and fasting from this Sunday.

1. The last two years of covid pandemic response in the west alarmed the discerning Christians around the world. It was the first-ever 'vaccine mandate' on the entire population with the 'untested, untried experimental medicine' without due process of the scientific checks and balances. It took place with lightning speed around the world. Such a mandate is in direct violation of the international law – the Nuremberg code.

There were other serious concerns such as censorship from tech giants – Twitter, Facebook, YouTube, etc, suppression of the alternate covid treatments. The big pharma and the government authority's unwillingness to share the available data on the adverse vaccine side effects were even more alarming.

2. Around this time in 2020, Dr Klaus Schwab of the *World Economic Forum* (WEF) stepped out of the shadows into the limelight, proclaiming his vision to 'reimagine the whole new world' – a global totalitarian socialist state. 'You will own nothing and you will be happy.' 'You will eat red meat only occasionally as a luxury item – carbon footprint.' 'US will not be the leading nation of the world', etc. Schwab boasted that WEF has infiltrated 50% of Trudeau's cabinet.

Alarm bells rang loudly to the Christians who read their Bible. This sounds too much like the one world government.

3. Just last week, Pfizer's early vaccine study results were released. Originally it was going to take 65 years to have it released, but the US court overturned that decision. It revealed the pages and pages of the covid vaccine side effects that they already knew – and they hid from the public.

Pfizer tried to suppress this information from the public until the vaccinated population is dead and gone! There is now evidence that the *Centre for Disease Control and Prevention* (CDC) knew of the side effects early on, but decided to suppress the information because it would create *vaccine hesitancy in the public*. This is medical fraud and it is criminal.

4. 2022 is a very important year. It is the year of the US mid-term election, Australian election, and Canadian election. South Korea's election just took place. It was a very close race with the conservative party winning with a narrow margin. The former South Korean administration oppressed the church. 10,000 Korean churches closed past 2 years.

We can have a decisive global power shift this year. Truth bombs are exploding. The politicians who subscribe to the 'one world government' agenda are coming out in the open. The nations who want to resist this can align themselves with the sheep nations with respect for the rule of law. Others will become subservient puppet nations to the one world government agenda. Much is at stake. We need to pray and stand on God's authority.

5. Covid is real. The first wave and the delta wave took many lives. Omicron is thankfully a lot less potent. The decision of whether to take the vaccine must be a personal choice. The medical data must be disclosed to the public. So as God's people, we need to rise up to pray and speak to our nation to end the vaccine mandate, which has become more of religion now. If this goes on unchecked, authorities can continue to push a fear-driven narrative to take all freedom from the citizens. They just have to come up with a new covid variant, then it is 2020 all over again. I see people still walking in the parks with a mask on! Masks protect others from my spittle, but they do not block pathogens.
6. This must come to end. Let's pray that everything that the enemy has taken from you, you will recover in the name of the Lord - job, health, right decisions, business, life, peace in God.

Let the joy of the Lord return to His people in Jesus' name! (C.f. 1 Sam 30:1-8)

## B. Russia / Ukraine Conflict (Acts 17:26-27)

Then suddenly there was a 'spanner' thrown into the western elite's rapid progress to reshape the global politics and economy – the Russian invasion of Ukraine on the 24<sup>th</sup> of February 2022.

1. We need to pray for Russia and Ukraine. But how do we pray? So many anti-Russian and anti-Putin sentiments! Australia joined the sanctioning of Russia. The tension between the Ukrainian believers and the Russian believers is dividing churches in Israel. Each side can pray for the crushing defeat of the other, '*God, destroy evil Russia and Putin?*'

Kamala Harris' explanation of the conflict was classic and misleading. '*Ukraine is a country in Europe. Russia is also a country in Europe. Russia is a bigger country invading a smaller country called Ukraine, which obviously is wrong.*'

2. When the Old Soviet Union collapsed (1989-1991), NATO (North Atlantic Treaty Organisation) assured Russia that they will not make advancement toward the East, i.e., towards Moscow. However, the 12-nation NATO of 1949 became 30 nations, almost completely surrounding Moscow. Russia repeatedly warned this was unacceptable and it could lead to war. E.g., If China expanded into Canada and Mexico, and put their military equipment at the US border, would it be acceptable to the US?
3. There are no good guys here - Biden, Putin, Zelensky, etc. But God is in control. *Is God giving the nations more time to clean themselves up and get their acts together by throwing a spanner into the western elites' plan to reset the world and create New World Order?* Now that the East is set against the West, it will not be an orderly reset, but a very turbulent one. Russia and China have their own ambitions. They do not want to be subservient to the western elites' plan to dominate the world.
4. How then do we pray?

### (i) Minimal Loss of Life

Angelic interventions are already being reported in Ukraine, but 2.5M Ukrainians are already displaced, mostly to Poland (1.5M).

Pray for :-

- ✓ the gospel to go forth in power.
- ✓ God's wisdom and protection on Zelensky who has an admirable backbone to stand up for his nation, but he is not a saint.
- ✓ Putin's safety and the softening of his heart. There are prophetic warnings of Putin's untimely death, which will lead to greater chaos. There may be a dark third figure to follow Putin. Dmitry Medvedev → Putin → ???

### (ii) Revival and Raising Up of God's End-Time Army in Russia and Ukraine

Ukraine has the strongest evangelical Christians in Europe and the largest Jewish messianic congregation in the world. Ukrainian Christians were mightily used by God to evangelise Russia.

Pray that God will raise up an awesome spiritual army of youths out of Russia to touch the world in the last days, including the USA. Some of the greatest evangelists will come out of Russia to touch the world. This is also true for China.

### (iii) Return of European Jews back to Israel - Aliyah

10,000+ Ukrainian Jews are heading back to Israel. This is part of God's end-time plan. WW2 forced the Jews to return to their ancient land, and it facilitated the birth of Israel.

So this is another push for the Jews to return to their land. (c.f. Ezk 36:24-28; Jer 16:16; Zech 10:8-9)

#### (iv) Cleaning Up of the Western Nations

Ukraine is known as the most corrupt country in Europe. Top US politicians' sons are making huge money from their connection to Ukraine gas.

The new bombshell announcement – Russia claimed 26 biowarfare labs exist in Ukraine, connected to the US. If true, this is in direct violation of the Nuremberg Code. *Who are the intended targets for the deadly pathogens?* Covid version 2 can destroy whatever is left of civil liberty in the west!

The Chinese government is demanding the US make full disclosure. India also is alarmed. WHO (World Health Organisation) has just told the Ukrainian government to destroy any dangerous pathogens in those labs for public safety. The Chinese government is seeking answers to WHO's statement, claiming this is merely the tip of the iceberg - the US Department of Defence controls 336 biological laboratories, hidden in 30 countries.

#### 5. Who Will Win This War?

There are no winners in war. The western elites thirst for global domination at all costs. If the Lord is opening the second seal, we cannot stop it. But we can pray to minimise the destruction, and for good to come out of it.

##### The Biblical Principles

(i) *'The earth is the LORD's, and all its fullness, the world and those who dwell therein. For He has founded it upon the seas and established it upon the waters.'* (Ps 24:1-2)

Every inch of the earth's real estate belongs to God because He is the maker of the earth. Apart from God's permission, no nation or people has permanent rights to their land.

(ii) God predetermines the times and the boundary of each nation, so that they should seek God and find Him in the space and the time God has allotted them.

*'And He has made from one blood every nation of men to dwell on all the face of the earth, and has determined their pre-appointed times and the boundaries of their dwellings, so that they should seek the Lord, in the hope that they might grope for Him and find Him, though He is not far from each one of us, (Acts 17:26-27)*

When the nations do not fulfil God's intention for them to seek Him in the allotted time and space, and instead overflow with wickedness, then God judges them by redrawing the national boundaries by using other nations to invade them. *'For the iniquity of the Amorites is not yet complete.'* (Gen 15:13-16)

(iii) Nations whom God uses to bring judgment invariably go too far and invite God's judgment on themselves eventually. E.g., Babylon was used by God to judge Israel, but then they too were judged by God because they went too far in their cruelty and hatred for Israel.

#### 6. I believe :-

- ✓ it is God's allotted time for Russia and China to arise in the global power struggle. God will use them to expose the hidden iniquities and bring redemptive judgment on the US and the western world. Russia and China are not at all righteous, but they are the instruments of the Lord's chastening of the western nations.
- ✓ Christians living in the western world will be increasingly shocked this decade at the revelation of our gross national sins and wickedness, as the antichrist system readies itself to emerge. The economic war between the east and the west will continue to escalate from economic / political war to actual war (Rev 6).
- ✓ It is time for the church to repent and walk closely with God. It is time to pray to get our nations cleansed of the overflowing iniquities and prepare our lives for God's holy use.

The church of the future will need a lot of courage. We will need discernment and wisdom to navigate the future in God's will. Amen.
