End-Time Church: to Stand with ISRAEL

GI's Prophetic history regarding Israel

Rom 11:11-15 - When Israel comes back to take their place **it will be life from the dead.**

How many in GI are going to Israel or have been to Israel this year? MANY

1. Prophecy and Rain Storm in Israel (Nov - Dec 2013)

- A. 23 Oct 2012 - Prophecy from Philippines in a Prophetic Conference:

While ministering in Ablaze Prophetic Conference in Quezon City, Manila, a group of prophetic ladies surrounded me (Paul) and 'attacked' me with accurate prophetic words.

- ❖ *[I see]...the Map of Jerusalem...So shall you be called and connected to the global ministry of Israel. A funny vision of flags of nations planted on your head. (Like flags on toothpick for food). You will travel, I see continents getting smaller as you travel back and forth. In an accelerated speed you will be sent...If you love Jerusalem then you love the nations of the world, because the Lord says, Jerusalem will be the house of prayer for all nations. I can see the house of prayer for all nations for you...if you possess Jerusalem you possess nations of the world. If you are praying for the peace of Jerusalem, you are praying for the peace of the whole world.*
- ❖ *...3rd vision. You are on the top of a mountain. There is an old temple and you are standing in front of the temple dressed in high priestly dress with the Lion of Judah on your right side, praying and prophesying. Just as Ps. Chris said that you will pray for the peace of Israel. Last vision. I see the child named Nathan. There is a glow on his forehead, blowing the horn and saying, "Papa we will start the war against the evil ones." (The future of your child is already secure -interjection by Ps. Chris). But suddenly the Lord sent a rain. This is a significant for Israel. Your son will call a rain. Not just a rain, but a heavy rain."*

- B. My family was in Israel during 1-15 Nov 2014. Nathan was blowing shofar for the last couple of days including 7 Nov prayer night. Mia suddenly reminded me of the prophecy from Philippines which I recorded on my iPad. As I was reading the prophecy and amazed that the prophecy was 'literal', Ps Peter Tsukahira of *Kehilat HaCarmel* came over and handed me the microphone and asked me to pray for Israel. That evening unexpected rain fell out of the blue. The following week, one day before we left Israel (14 Nov) we met with Jill Shannon in Jerusalem. We told her, after we leave Israel there will be heavy rain. Downpour will come and then after that Israel will be entering a season of war.

- C. **Historic snow storm slams Israel and neighboring countries** [13 Dec 2013]

"The biggest December snow and rain storm in the modern history of Israel and the Palestinian territories hit on Wednesday night (Gaza declared disaster zone)...Heavy storms continued throughout Israel, causing traffic disruptions and power outages across the country, floods in southern regions, a brief closure of Ben-Gurion International Airport..."

"Thousands of people in and around Jerusalem were left without power. A hastily assembled array of relief services, beefed up by Israeli army troops, came to the aid of hundreds of motorists who were trapped in their vehicles, some for up to 10 hours."

"The biggest December snow and rain storm in the modern history of Israel and the Palestinian territories hit on Wednesday night. Now a storm three times worse is bearing down on the epicentre."

2. Morning Prayer Vigil during ‘Israel & Gaza War’- (7 July 2014 Start)

- A. We made a commitment before the Lord to pray for Israel every morning (6-8AM, Mon - Sat) in Epping Community Centre as long as the war lasted.
It was during this time of prayer vigil ‘GIHOP @Epping’ was acquired.
- B. Now exactly 5 years later, July 2019 God has brought us to Cornerstone Church premise.
We must be ‘faithful in small things’ and the God will give us more in His timing.

3. The Lord’s direct challenge to my heart

What the Lord spoke to me in one of the prayer evenings @Epping Community Centre.

- A. ‘Are you zealous for Israel’s spiritual inheritance?’

In the early church Apostle Paul paid a heavy price (persecution by the Jews) for standing up for the Gentile believers’ inheritance in the Messiah. He confronted the Jews’ spiritual pride rooted their ‘Jewishness’, e.g. nationalism, religious system, tradition, history, knowledge, etc. We must be careful not to humanly bolster fleshly pride in *Israel-ness*. Jesus is the unchanging centre. Had the apostle Paul not taken the firm stand for the inheritance of Gentiles as equal members of the covenant, none of us would be standing where we are now.

- B. *However, now the situation is reversed.* The fuller revelation of God’s Word (NT & particularly of ‘Yeshua’ as God’s final Word) has been mostly entrusted to the Gentile Church. *And Israel will not enter into the fullness of her inheritance without the love, commitment and help of the Gentile Church and our willingness to stand up for and with Israel in the last days.* God’s wisdom is to bring love & humility for both Jews and Gentiles. **Will you stand with Israel? Will GI stand with Israel?** In the time of ‘Persecution’? Answering this question correctly is very important for the vision of GI into the future!
- C. Will you speak ‘humbly’ and yet ‘clearly’ to the Body of Christ for me regarding my inheritance Israel?
If we have been given this revelation, *it doesn’t make us better than those who don’t have it. It makes us more ‘accountable’.*

4. Ps. Frankie Khoo’s prophecy on Sat 19 Nov 2011 @Eastwood Café

- A. During dinner Ps. Frankie said when he saw me on Friday night while he was preaching, the Lord spoke to him that I will not remain under the current [denominational] umbrella much longer. God is engineering things in such a way that either all of the people above has to change, or I will be released from this restrictive system... Old wineskin will not be able to contain the new wine much longer... I don’t have to do anything to make it happen. The Lord is engineering this move. Mia asked him how long it will be. Ps. Frankie answered that “It will not very long. It will be quicker than you think.” I don’t have to worry thinking about how to get us out. God is already doing this.
- B. On 1 Dec a letter from the denomination arrived in my mail, saying “*Pray for the Peace of Jerusalem*” (1) *Israel illegally occupies the land (West Bank) which belongs to Palestinians;* (2) *Boycott products made in Israel as a peaceful protest.* I knew I had to resign from my ministry post, and GI was born.
- C. Later we found out that the day the prophecy was given to us (19 Nov 2011) was the day [the denominational] Assembly passed the resolution to boycott Israeli product and decided to take an open and public stance against Israel.
- D. After this event, I received further prophetic words of confirmation from people unknown to me from Queensland, Philippines, US, etc.

Discussion Questions

1. Why should we Christians be concerned about Israel’s restoration? How do you think God feels about Israel?
2. What is your response, if the Church is given a chance to stand with Israel in the times of trouble in the last days?
3. If the Lord asks you, “Will you speak ‘humbly’ and ‘clearly’ for Israel and for My inheritance among Jewish people?”, what will be your response to the Lord?

Vision 10: To Stand With Israel

¹¹ I say then, have they stumbled that they should fall? Certainly not! But through their fall, to provoke them to jealousy, salvation has come to the Gentiles. ¹² Now if their fall is riches for the world, and their failure riches for the Gentiles, how much more their fullness!

¹³ For I speak to you Gentiles; inasmuch as I am an apostle to the Gentiles, I magnify my ministry, ¹⁴ if by any means I may provoke to jealousy those who are my flesh and save some of them. ¹⁵ For if their being cast away is the reconciling of the world, what will their acceptance be but life from the dead?
