**Two Years of Covid and its
Aftermath:
A Christian Doctor's Reflection**

My Claims and Disclaimers

- 3 Claims: I am a doctor, I am a Christian, and I am of certain political persuasion
- 3 Disclaimers: I am not giving medical advice, I am not challenging your Christian doctrines, I am not telling how to vote

A Biblical Text

*Daniel 5: Belshazzar, the writing on the wall-
mene mene tekel parsin. Daniel a man with a
keen mind, knowledge and understanding,
interprets dreams, explains riddles, and solves
difficult problems*

*Throughout human history, God calls His people
in a sociopolitical context eg Moses, Elijah,
Jeremiah and Daniel*

*Jesus was given in the time of Rome, a world
power*

The Extraordinary 2 years

- We are one of the highest jobbed nations in the world
- People are suffering mental health problems especially young people
- Young peoples' education is affected
- Small businesses have gone bust
- We are still the Divided Nation of Australia
- Aussie debt: A\$963,000,000,000 45.1%GDP
- US debt: USD\$29,000,000,000,000 134%GDP

Meanwhile...Enter Omicron

- 70 times more infective in the upper respiratory track and 10 times less infective in the lungs
- Less likely to produce syncytial disease in the lungs which cause cytokine storm which kills people
- Asymptomatic patients are 3 times less likely to be admitted to hospital
- Symptomatic patients are 2 times less likely to be admitted to hospital
- Once admitted 70% less hospital stay
- Survival rate of 99.7%

Omicron Smashes Delta

- My sharing with Pastor Paul:
- That Omicron will displace Delta
- That Omicron will render the narrative of universal and mandatory vaccine irrelevant
- Upper respiratory diseases need IgA
- Vaccines produces IgG
- Omicron cannot be contained
- Omicron causes revision of health strategies eg definition of close contact, duration of isolation, PCR to RAT

**The role of the
World Economic
Forum and Big Tech
as the final arbiter
of “truth” with its
fact checkers troop**

My disappointment with the Church:

**Her silence on the
matter of the
Government
Overreach**

**The Christian
Church is called to
be the Prophet to
the world!**

The Erosion of Freedom

What is the Christian idea of Freedom? Genesis 1 & 2
Is Freedom a sacred gift?
Does this define our humanity?

What is the writing on the wall for you?

Covid-19 and its aftermath is a defining moment for every Christian. How you read the writing on the wall will determine how you live your life from this time forth!

What is your belief?

A one in a hundred years pandemic

Draconian Government in grabbing power

Opportunistic Big Pharm to prey on the world population

World Economic Forum with its agenda of collapsing the world economy and creating a technocracy

A prelude to the One World Government

A sign of the Rapture

**How we live our life now
has a profound impacts
on our children and
grandchildren**

***Our response to Covid-19 and its
aftermath will determine the world
that we leave the future
generations!***

I Have a Dream

Of living out the Kingdom of God on earth

*Of living out my mandate to be fruitful and
subdue the earth*

*Of living out a life of freedom as God intends
me to be*

Of exerting godly influences wherever I am

*So that my children and my children's children
will live in a better world than me*

*This is the Christian heritage that I will pass on
to them*

God says-----

We are chosen 1 Peter 2:9

We are a royal priesthood 1 Peter 2:9
